### *Embracing Empowerment*

*"Let us go across to the other side"*

*Mark 4:35*

*Isidore Robey*, a famous Physicist, came to the United States as a small child and grew up on New York City's Lower East side. In an interview he was once asked how a poor immigrant boy was able to become one of the world's leading physicists. He replied, "I couldn't help it. It was because of my mother. She had a deep appreciation for the search for the truth. And every single day when I came home from school, she would ask me, '*Did you ask any good question today?*'"

In the month of September, we prepare to celebrate *Education*, *Women* and the *Elderly*. The story of Isidore Robey, in a way combines all three important areas of our life into conversation. One thing stands out is the idea of "*Empowerment*," and the need to embrace empowerment. The cry for *Equality*, *Justice*, and *Freedom* gets louder each day, even as we celebrate growing images of modernity and technology. We are wondering how *Artificial Intelligence* (AI) is going to shape our lives, our jobs and even our thinking. It is in this context, that we find that the teachings of Jesus were radical and contemporary.

In the Gospel of *Mark 4:35-41*, the call of Jesus "*Let us go across to the other side*," as a Teacher, was a radical call of courageous learning and open engagement. Jesus wanted to teach lessons of life that are grounded on values and choices. Jesus was willing to go away from the crowd, from the stage, from publicity, from attention to teach lessons of faith to the disciples. Jesus believed in the philosophy of learning by doing, theoretical learning but result in practical living. He taught the disciples that they cannot hide in the crowd, they need to face the storm, and they need to face challenges. We are not alone, but the promise of the presence is real, '*Peace! Be still*' (4:39), is real and a promise beyond assurance. Questions are part of learning, as the disciples asked, "*Teacher, do you not care that we are perishing?*" (*Mark 4:38*). We must continue to ask questions, only then we will find answers. Sometimes

when we ask, people in authority or in positions of power feel uncomfortable, but we must continue to ask, even as we ask ourselves.

We are deeply grateful to God that our ministry of *Christian Education* in our *Sunday School* and our ministry of embracing empowerment is carried out at *St. Andrew's School at Siddapura*.

It is a matter of joy that our *Women* are meeting regularly for *Bible Study* and *Fellowship*, and extending *hospitality* to people in need.

Our regular meeting of the *Care for the Elderly* ministry has been rewarding, and it is matter of joy that deep bonds are being built and encouragement is flourishing.

We continue to thank God for the *Team Leadership* and the work of *networking* continues to be blessed.

Let us embrace empowerment in our different areas of life and work.

God bless you

Your Presbyter

## INDEPENDENCE DAY CELEBRATION

## Reports of Activities by the Wings & Ministries of the Church

### SUNDAY SCHOOL

*Greetings to one and all in the name of our Lord and Saviour, Jesus Christ!*

We are happy to share with you all that the *Kannada Sunday School Teachers* along with the children celebrated 77th Independence Day on 20.08.2023. Teachers explained to them the importance of Independence Day. To conclude the day, children played some games too.

On Sunday, the 27<sup>th</sup> of August, our Sunday School children presented a Song in Hindi during English Service. The Song goes like this: "Kaun hai Kaun hai Raja wonka Raja. Kaun hai Kaun hai Dhuniya ka Bhadsha - Yesu hai uska naam tho karo jai jai kaar". Along with the Sunday School children, even the congregation enjoyed the song.

We the Team of Sunday School, thank one and all for supporting us.

**Mrs. Sujatha Kishore**

*Sunday School Superintendent*

## WOMEN FELLOWSHIP

*'Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us.'*

*Romans 5:3-5*

We often think why we go through the things we go through and tie it up with our own understanding, missing out on what God intended for us.

The passage that we studied was 1 Kings 17:1-9, from which we drew 3 main takeaways that we could reflect upon:

- i. Just as God safely kept Elijah in the cave away from King Ahab, we can be sure that when God calls us for a purpose, He *PROTECTS* us and makes a path for us to carry it out.

- ii. Next, we saw how God miraculously *PROVIDES* for Elijah with bread from ravens and water from the brook. God already knows our spoken and unspoken needs and will always make sure his children are equipped for the task He calls them for. We must trust in that our needs can be met through Him and we can depend on God in everything.
- iii. Finally, as we journeyed with Elijah, as the brook dried up and his time in isolation was nearly done, the frustration of not knowing what was coming next and the anxiety must have built up as we all go through that in our own life. We feel anxious when we are not in control of our situations, but here we learn as the story unfurls that God has a specific plan for Elijah to further his ministry from Zerephath after encountering a widow there. Unless he went through all that he did, he wouldn't have been strong enough to endure the major part of his mission as an ambassador for the Lord of Israel. God intends to *PRESERVE* us for His perfect will in our life, and the only way we can see it through is if we submit our lives to God and let him take control.

Everything we go through has God's hand in it and He doesn't put us through more than we can bear. We are transformed by our experiences in order that we can serve others better as God's children. Through all this, we know we can hold on to the hope, keep our eyes on Jesus and depend on Him to Protect us , Provide for us and Preserve us for His great plan in our life.

*The Bible Study* was conducted by *Mrs. Neha Soans George* on *Saturday*, the 5<sup>th</sup> of August, 2023. We are very grateful and thank Neha for conducting the above Bible Study.

*Bible Quiz* was conducted by the *Civil Area Women's Fellowship* in our church on *Sunday*, the 16<sup>th</sup> of July, 2023. 194 women from various churches all over Bangalore participated. Two of our Women's Fellowship members, Mrs. Reena Anup and Mrs. Jessy Manoj, also took part. Praise God for their efforts.

## YOUNG COUPLES' FELLOWSHIP

*"Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your heart be troubled and do not be afraid." John 14:27*

Words cannot express how much we miss our dear Pastor, Rev. Samuel Sujay; yet we know that he is safe in the arms of Jesus. He was the Vice President at SABC and also the Principal at KIT. Our YCF Team is filled with gratitude for his life, witness and ministry. We cherish the wonderful fun-filled moments spent with him; yes, there was never a dull moment interacting with him!

We were so blessed to celebrate the special Re-Commitment Service on the Covenant of Marriage a few days back during Kutumba Habba - Stronger Together, etched in our hearts forever. We as Andrew's family, hope and pray that God will grant the peace that passeth all understanding to Mrs. Kumuda, Dr. Stuthi and Mr. Jonathan.

It was a blessed time of fellowship we had during our visit to the family as a Core Committee on Saturday the 26<sup>th</sup> of August. We along with other visitors were encouraged and witnessed to see how God has been with this family, strengthening and leading them in every moment. We sang Pastor's favorite song, '*Blessed Assurance*' and meditated and drew strength from the life and witness of Fanny Crosby, the blind Hymn Writer. The void created by Pastor Sujay cannot be replaced, but his life and testimony will surely encourage us to strive diligently for God's Kingdom.

## MUSIC MINISTRY

*Greetings from the Music Ministry!*

We are happy to inform you about the beautiful music rendered to us from a *Special Choir, The Choir of St. Thomas' College Mount Lavinia, the College Chapel, also known as the 'Chapel of the Transfiguration'*, who came all the way from *Sri Lanka*. They led the *Choral Evensong Worship Service* in our church on *Sunday, the 27<sup>th</sup> of August*. The *Choir* leads the singing at *Festive Services* and *Evensongs* in the *College Chapel*.

The *Choir* functions solely to lead the *Worship* in the *College Chapel* and therefore refrains from performances. It is currently directed by the incumbent Sub-Warden, *Mr. Asanka Perera* and is accompanied by *Mr. Nilhan de Silva Warshamanage*. The *Chapel Choir* consists of *48 Thomians*.

We were indeed thrilled to have listened to the beautiful rendition of *Sacred Songs* which really turned into a heavenly *Worship Service*; *St. Andrew's Church Choir* sang as well. We are so glad to have had the opportunity to hear them and look forward to many such events, and we invite you all to join in as well.

**Mrs. Neha George**

*Convener, Music Ministry*

## CARE FOR THE ELDERLY

*"Godly Expectation of Holiness"*

We thank God Almighty and our Lord Jesus Christ for giving us the time to Praise and Worship Him.

The Care for the Elderly Ministry organized this month's program on Saturday, the 29<sup>th</sup> of July for our Elders, at the Stewart Wright Hall. The speaker was *Mr. Saji Abraham* who addressed the gathering with an inspiring message of *"Godly Expectation of Holiness"* with the Bible reference from *Colossians 3:1 - 5* and *Revelation 22:11*, followed by a Q & A Session.

The program started with the *Youth* leading the *Elders* in *Praise and Worship* with three beautiful *Hymns*. *Mr. Saji Abraham* spoke on the importance of being Holy according to God's standards and to be humble before Him, truly seeking His presence. He loves us all in spite of who we are and what we have done.

Just as our Lord loves and forgives us, we too should love and forgive one another. Forgiveness is the heart of our faith. Our true faith lies in our lowliness and humility before the Lord. We must be willing to deny ourselves for Him, for our Lord expects complete submission and obedience.

In conclusion, we thank all who helped us organize the program this month, and all the elders who made it possible to be present.

**Mr. Praveen Oscar Shiri**

*Convener, CFE*

## MISSION & EVANGELISM

*Greetings!*

A few elders of the church met with and encouraged the believers from Tubagere. We would like to see more of you to come and interact with them and offer them a few kind words and give them courage. A Team from our church leaves for Tubagere *every 3<sup>rd</sup> Sunday of a month*. Those of you who wish to join us please reach out to me or the Church Office.

## MEN'S FELLOWSHIP

### Christian Women Nation Builders

St. Andrew's Church Men's Fellowship, hosted an enriching session on July 22, 2023, featuring a captivating talk by Dr. Sunil Thomas Chandy, the Former Director of CMC Vellore. Dr. Chandy's discourse centered on the extraordinary

## Dr. IDA S Scudder, Medical Missionary & Educator

life and impactful mission of Dr. Ida S. Scudder, a distinguished figure in the realms of Medical Missionary Work and Education. Dr. Chandy's narrative drew attention to the profound significance of seemingly small actions, emphasizing the larger meanings they hold in the grand tapestry of life. Rooted in the spirit of Christ, the talk exuded a

deeper understanding of how personal and communal actions can resonate with a higher purpose. The session expounded on the symbolism of "Three": Three knocks, symbolizing awakening, sensitizing, and life-changing moments; Three phases, representing the formative, pro-active, and passing-on stages of one's journey; Three thrusts - Education, Service, and Research; and Three strengths - vision, shield, and delight. The essence of these "Three" elements manifested as a legacy, encapsulating values such as Legacy of Factors, Compassion, Love, Building, and Family, exemplifying the core values passed down through generations.

Through Dr. Chandy's eloquent discourse, attendees were prompted to contemplate the intricate interplay of faith, action, and legacy, with the life of Dr. Ida S. Scudder, serving as a compelling testament to the power of small deeds and steadfast commitment. This insightful session left participants inspired to imbue their own lives with purposeful actions and values reflective of Christ's teachings.

### Revelation Bible Study

Under Rev. Dr. Dexter Maben's leadership, St. Andrew's Church Men's Fellowship hosted the 3<sup>rd</sup> Bible Study Session under the broader theme of Reconciliation & Transformation on July 8, 2023, the focus was on the "Second Seal - White Horse",

among the "Seven Seals" in the Book of Revelation. This intricate exploration sought to unravel the symbolic significance of the white horse, often linked with victory, within the context of Revelation's complex themes. In the backdrop of these discussions, participants delved deeply into the historical, literary, and theological aspects of the biblical text, gaining insights into its multifaceted meanings. Furthermore, on August 12, 2023, the Men's Fellowship hosted the 4<sup>th</sup> session to study the "Third Seal - Black Horse," which symbolizes scarcity and famine. This session prompted conversations about the implications of scarcity in prophetic contexts and its broader spiritual implications, fostering meaningful exchanges among attendees.

### **Christian Women Nation Builders**

St. Andrew's Church, Bangalore, hosted an engaging Session on August 26, 2023. Rev. Dr. Rohan P. Gideon from United Theological College, Bangalore, delivered an insightful talk on "Radical Departure as Discipleship," focusing on the inspiring life of Pandita Ramabai.

Born into a Brahmin family, Ramabai defied societal norms. Encouraged by her educated father, she delved into Sanskrit and scriptures. Despite an unconventional marriage to a "sutra man," she embraced Christianity after her husband's early passing and founded the Mukti Mission in Pune. Rev. Dr. Rohan Gideon highlighted her journey, emphasizing her transformative departure from norms, leaving a lasting legacy of education and social reform.

## **Short Write-up about our Choir**

A lively, motley crowd of young and the young at heart with the common denominator of the love for music, using their differential musical talents to make the best possible music like a mathematical, differential calculus function. A bunch of music loving folks, of varied age groups who make music at St. Andrew's Church at Worship Services every Sunday. Lively and energetic, choristers religiously attend rehearsals, sometimes even several times a week.

The repertoire ranges from Bach and Handel to Rutter and Hopson. Anthems are sung regularly, and descants for the Hymns by the sopranos are widely welcomed and appreciated. Besides singing, several play a variety of instruments, the Pipe Organ being accompanied by an array of violins, violas and cellos, enhancing the congregational singing, at every Sunday Service. Several are music teachers too; teaching music in schools and colleges, catching them young, encouraging and developing musical talents of kids as young as five! The foregoing differential musical skills are all optimized, like in differential calculus, towards the objective function of making the best music for the glory of God!

Accompanied by the restored and augmented Peter Conacher Pipe Organ, the choir strives to achieve the best of Choral Music, so as not to leave the heart of any worshipper at St Andrew's, untouched!
